COOK COUNTY
RECORDER OF DEEDS

EDWARD M. MOODY
(312) 603-4000

CCRD FRAUD UNIT HOTLINE

Because County Recorders are not authorized by law to validate legal claims made in recorded documents, scammers are filing forged deed transfers to steal property. Once recorded, these documents mean you no longer own your home (on paper), even if you have paid it off.

SIGNUP IS FREE & EASY

- 1** Get your Property Index Number (PIN) from your tax bill or from CookCountyPropertyInfo.com (CCRD does not guarantee the accuracy of these records and an incorrect or incorrectly entered PIN will result in NO alerts).
- 2** Visit CookRecorder.com/FraudAlert
- 3** Enter your name, PIN, email and phone, and select your Alert Method. If you select Email, check your Spam or Junk folder to authorize PFA emails.
